

## ROCK THE RED RIBBON ART COMPETITION

The red ribbon continues to be a powerful force in the efforts to increase public awareness of HIV.

### Winning prize

#### 1 years Tate membership

(which includes entry to Don McCullin now on at Tate Liverpool)

**An exclusive range of Tate art materials** including Susan Sontag's classic collection of critical theory *Illness as Metaphor* with a classic black Tate logo bag (with extra goodies inside) to carry around your essentials.

Tate Liverpool was created to display work from the Tate Collection which comprises the national collection of British art from the year 1500 to the present day, and international modern art. The gallery also has a programme of temporary exhibitions and in 2019 organised the first UK museum exhibition of the work of Keith Haring. Tate Liverpool has supported HIV issues and Sahir House in the past, most recently during the recent Keith Haring exhibition to raise awareness of HIV and challenge the stigma still surrounding the virus.
